

materials at the GJO site in 2000, DOE plans to transfer the facility to non-DOE ownership.

In accordance with DOE regulations for compliance with floodplain and wetlands environmental review requirements (10 CFR part 1022), DOE will prepare a floodplain and wetlands assessment for this proposed DOE action. The assessment will be included in the EA being prepared for the proposed transfer of the property in accordance with the requirements of the National Environmental Policy Act. A floodplain statement of findings will be included in any finding of no significant impact that is issued following the completion of the EA or may be issued separately.

Issued in Albuquerque, NM on September 21, 1999.

Constance L. Soden,

Director, Environmental, Safety, and Health Division, Department of Energy, Albuquerque Operations Office.
